(ई-निविदा संख्या 08/2024-25)

दिनांक 27.06.2024 को ई-निविदा संख्या 08/2024-25 SUPPLY, DELIVERY AND INSTALLATION OF STATIC COMPACTOR MACHINES, HOOK LOADERS AND CONTAINERS WITH OPERATION & MAINTENANCE AND TRANSPORTATION OF WASTE की निविदा की प्री-बिड मीटिंग आयोजित की गई थी। मीटिंग में निम्न फर्म द्वारा उक्त निविदा के संबंध में अपने सुझाव प्रस्तुत किये गये हैं। अतः फर्म द्वारा दिये गये सुझावों पर निम्नानुसार निर्णय लिया गया :-

S. N.	Name of Firm	Clause No.	Observation & Suggestion	Committee Decision
1	M/s KAM-AVIDA Enviro Engineers Pvt. Ltd.,	Technical specification	Kind request to remove Theoretical volume capacity minimum 250 m3/hr" and give range "Theoretical volume capacity minimum"225 m3/hr to 250 m3/hr"	Accepted
		Technical specification 3	Kind request you to remove "Technical specification of container transverse system"	As per Bid Document
		Terms & Conditions for Operation & maintainance Weighbridge 12,13,14	We are requesting you to consider the same in Nagar Nigam scope.	As per Bid Document
		Technical Requirement Instructions Bidders 2, 3, 4, 5	We are requesting you to provide detailed scope of work need to be done by the successful bidder to ensure compliance against the same inline with requirement. 1 - This may not be required as we are using existing site for installation static compactor. We are requesting you to consider any modification / expansion according to offered equipment will be provided by Jaipur Municipal Corporation. 2 - We are requesting you to keep the same in your esteemed Municipal Corporation scope and carry out the same through your registered / approved electric contractor to ensure safety of plant. 3 - We are requesting you to consider the same in your scope and provide the successful bidder the complete empty site without existing equipment. We are resulting you take up the same through your registered / approved scrap vendor to scrap existing units. 4 - We are requesting you to consider the same in your scope as the existing civil structure carried out by your esteemed Municipal Corporation.	As per Bid Document
E-TENDER NOTICE Earnest Money Deposit (EMD) 5	Considering the EMD amount of tender ,we are requesting you to kindly allow bidder to submit EMD , Security Deposit & Performance security in the form of Bank Guarantee also. We believe that the EMD in the form of bank guarantee will be a prudent and viable option. Further more ,we wish to draw your kind attention to gazette issued by the central ministry, Government of	As per Tender Document and As per RTPP Rules		

		India for the betterment of MSME, under which exemption for tender fee and earnest money deposit have been facilitated to MSME units to reduce their financial burden. In view of the same we are requesting you to allow the EMD exemption to MSME registered bidders.	
	E-TENDER NOTICE Payments Terms 13	The tender equipment (Hook Loader) scope is having two part i.e. Chassis for mounting and equipment. As per chassis manufacturer standard condition for payment the chassis will be deliver against 100% payment of chassis. Considering the same we are requesting you to please amend the conditions as per below - <b>Chassis Payment - 100% Payment for chassis of Hook Loader will be paid against submission of Proforma Invoice from chassis manufacturer</b> <b>Equipment On Delivery - 100% of the supply of equipment on pro-rata basis within 30 days of satisfactory delivery at our site and after release note by the TPI agency against satisfactory commissioning of entire system and on receipt of commissioning certificate from Employer</b>	As per Tender Document
	E-TENDER NOTICE Completion Works 6	The tender equipment is tailor made, requiring many components to be assembled. We import few crucial components for our equipment to provide best performance. It will be difficult for any bidder to provide the equipment within 90 days.  In view of the same, we are requesting you to consider the deliver period as minimum 150 days from the date of written order for commencement of work.	As per Tender Document
	Eligibility Criteria Turnover 4	As you are aware, the financial statement for the year 2023-24 is currently under audit. Due to this ongoing audit process, many bidders, including ourselves, are unable to provide exact financial data for the last year as required in the current tender clause.  In light of this situation, we kindly request an amendment to the clause pertaining to the turnover requirement. We propose the following revised clause:  "The tenderer shall have an average turnover equal to 50% of the tender estimated cost in the last three financial years (2020-21, 2021-22, 2022-23).	As per Tender Document
	Instructions to Bidders Security Deposit vi of 8	We request you to allow the successful bidder to submit two separate security deposits, one for equipment and the other for operation and maintenance, before to the commencement of work.  Furthermore, we request you to accept the operation and maintenance security deposit on a yearly basis, as many banks refuse to provide security deposits validity for five years.	As per Tender Document
	Terms and Condition for Operation and Maintenance Work Scope of Work	We are requesting you to give bidders the option of signing a Memorandum of Understanding (MOU) with a specialist Operation and Maintenance (O&M) operator to carry out the O&M scope of the tender.	As per Tender Document
	Eligibility Criteria Work order and satisfactory certificate 3	According to the tender technical specifications, a static compactor is a highly complex specialized equipment used to compact garbage. Procuring equipment from bidders that do not have experience supplying identical equipment with allied equipment may result in failure during operation.  In view of the same we are requesting you to consider specific tender equipment supply experience only insted of allowing bidders having experience of supply portable waste compactor or waste compaction related machinery / equipment	The tenderer shall furnish at least one certificates of satisfactory performance of Supply & Installation of Static Compactor with attested copies of purchase orders received from any local body/ central govt./state govt./any Govt department/PSU. Bidder Should attach work order & Work Satisfactory Certificate.

		E-TENDER NOTICE Estimated Tender Value 1	<p>Considering the tender requirements and the current market conditions, the estimated value specified in the tender documents appears to be quite low due to the following-</p> <p>Cost of Chassis: The cost of chassis is increasing annually due to compliance with the latest emission standards and advancements in technology. These enhancements, while beneficial for the environment and overall performance, contribute significantly to the overall cost.</p> <p>Inflation in International Market: Key imported components such as hydraulic pumps, Control unit etc are experiencing price hikes due to inflation in the international market. This increase directly impacts the cost of production and supply.</p> <p>Considering these critical aspects, we request a re-evaluation of the tender estimated value. To ensure that bidder can meet the tender requirements without compromising on quality or delivery timelines, we are requesting you to increase in the estimated amount by 30-35%.</p>	As per Tender Document
2	M/s Baxy Limited	Sl. No. 3 of Eligibility Criteria on page no. 20 of 81.	The tenderer shall furnish at least one certificates of satisfactory delivery of Supply / Installation of Static Compactor or Portable waste compactor or waste Compaction related machinery/ equipment with attested copies of purchase orders received from any local body/ central govt./state govt./any Govt department/ PSU. Bidder Should attach work order & Work Satisfactory Certificate or Invoice or Delivery Receipt.	The tenderer shall furnish at least one certificates of satisfactory performance of Supply & Installation of Static Compactor with attested copies of purchase orders received from any local body/ central govt./state govt./any Govt department/PSU. Bidder Should attach work order & Work Satisfactory Certificate.
3	M/s Waste Handling Equipment Manufacturing Enterprise		The tenderer shall furnish at least one certificates of satisfactory performance of Supply / Installation of Static Compactor or Portable waste compactor or Truck Mounted Refuse Compactor or waste Compaction related machinery/ equipment with attested copies of purchase orders received from any local body/ central govt./state govt./any Govt department/ PSU. Bidder Should attach work order & Work Satisfactory Certificate.	The tenderer shall furnish at least one certificates of satisfactory performance of Supply & Installation of Static Compactor with attested copies of purchase orders received from any local body/ central govt./state govt./any Govt department/PSU. Bidder Should attach work order & Work Satisfactory Certificate.
4	TPS Infrastructure Ltd.	Refer Clause no. 12 of Para 16 Procedure for Technical evaluation of bid - Page 12 of 35	<p>It is noted that the while the tender is for Static Compactor Machines with Container Changeover System, Hook Loaders and Containers with Operation and Maintenance, however Parties who has manufactured "Portable waste compactor" or "waste Compaction related machinery/ equipment" are also being qualified.</p> <p>Please appreciate that such qualifying criteria would result in bidding by inexperienced manufacturer who have no idea about the equipment and would supply a poor quality equipment if selected. In this regard we would like to make following suggestions:-</p> <ol style="list-style-type: none"> <li>1. Companies who have past experience of manufacturing equipments for at least two transfer stations in the last five years in Government Department, each transfer station accommodating: - <ol style="list-style-type: none"> <li>a. Static Compactor with hydraulically operated Bin cart loading mechanism - 2 nos.</li> </ol> </li> </ol>	The tenderer shall furnish at least one certificates of satisfactory performance of Supply & Installation of Static Compactor with attested copies of purchase orders received from any local body/ central govt./state govt./any Govt department/PSU. Bidder Should attach work order & Work Satisfactory Certificate.

		<p>b. Truck mounted Hook Loaders – 3 nos. c. 20 Cum. Roll-on-Roll-off Containers – 6 nos.</p> <p>2. Minimum two years' experience for operation &amp; Maintenance of above set of equipments in Government Department.</p> <p>We would also like to clarify that the Portable waste compactor or waste Compaction related machinery have no similarities between the equipments for which tender has been invited as these equipments does not have following features which are essentially required for your project.</p> <ol style="list-style-type: none"> <li>1. Hydraulically operated container coupling arrangement</li> <li>2. Hydraulically operated gate opening and closing device</li> <li>3. Hydraulically operated push and pull arrangement</li> <li>4. Container changeover system</li> </ol> <p>It is suggested that you may review the qualifying requirement and qualify only such parties who have manufactured static compactor with all the associated equipments stated above to ensure good quality equipments and services supplied to Government Department should only be considered.</p>	
			As per Tender Document
	10 b	Request to add sublet to this	If the orders are placed, NNGJ will be paid as per approved reates..
	Delivery 11 a	Please clarify who will bear the cost	As per Tender Document
	Payment Terms 13	10% to be releases after the installation of the machine	As per Tender Document
	Scope of work	<p>Operation &amp; maintenance will be done by the Successful bidder. (Contractor).
