Appendix A2: Joint Venture Provisions

1. General Provisions of Joint Ventures

Requirements: If Joint Ventures are allowed. Bids submitted by a Joint Venture (JV) shall comply with the following requirements:

- a) In case of an intent to form a JV, Memorandum of Understanding (MOU) having provisions to be included as per Annexure IV.
- b) In the event the bid of Joint Venture is accepted, there shall be a Joint Venture Agreement (as per S. No. 2) specific for the contract between the constituent firms, indicating clearly, amongst other things, the proposed distribution of responsibilities both financial as well as technical for execution of the work amongst them. For the purpose of this clause, the most experienced lead partner or partner in-charge will be the one defined. A copy of the Joint Venture agreement in accordance with requirements mentioned in Annexure - IV shall be submitted before any award of work could be finalized
- c) In accordance with the Rule 39 of RTPP Rules, in the event the bid of Joint Venture is accepted, either they shall form a registered Joint Venture company/firm or otherwise all the parties to Joint Venture shall sign the Agreement.
- d) The bid, and in the case of the successful bidder, the Form of Agreement, etc., shall be signed and / or executed in such a manner as may be required for making it legally binding on all partners (including operative parts of the ensuing contract in respect of Agreement of Arbitration, etc.).
- e) Lead partner shall be nominated as being partner-in-charge; and this authorization shall be evidenced by submitting a power of attorney signed by the legally authorized signatories of all the partners.
- f) The partner-in-charge shall be authorized to incur liabilities and to receive instructions for and on behalf of the partners of the Joint Venture, whether jointly or severally, and entire execution of the Contract (including payment) shall be carried out exclusively through the partner-in-charge. A copy of the said authorization shall be furnished in this Bid.
- g) All partners of the Joint Venture shall be liable jointly and severally for the execution of the Contract in accordance with the Contract terms, and a relevant statement to this effect shall be included in the authorization mentioned under sub clause(c) above as well as in the Form of Tender and the Form of Agreement (in case of a successful bidder).
- h) In the event of default by any partner, in the execution of his part of Contract, the Procuring Entity shall be so notified within 30 days by the partner-in-charge, or in the case of the partner-in-charge being the defaulter, by the partner nominated as partner-in-charge of the remaining Joint Venture. The partner-in-charge shall, within 60 days of the said notice, assign the work of the defaulting partner to any other equally competent party acceptable to the Procuring Entity to ensure the execution of that part of the Contract, as envisaged at the time of bid. Failure to comply with the above provisions will make the Contractor liable for action by the Procuring Entity under the Conditions of Contract. If the most experienced i.e. Lead Partner defined as such in the Communication approving the qualification defaults, it shall be construed as default of the Contractor and Procuring Entity will take action under the Conditions of Contract.
- i) Notwithstanding the permission to assigning the responsibilities of the defaulting partner to any other equally competent party acceptable to the Procuring Entity as mentioned in sub clause (h) above, all the partners of the Joint Venture will retain the full and undivided responsibility for the performance of their obligations under the Contract and/ or for satisfactory completion of the Works.
- j) The bid submitted shall include all the relevant information as required under the provisions of Sub-Clause of ITB and furnished separately for each partner.

Joint and several liability: If the Contractor has formed a Joint Venture (JV) of two or more persons for implementing the Project:

- i. these persons shall, without prejudice to the provisions of this Agreement, be deemed to be jointly and severally liable to the Authority for the performance of the Agreement; and

- ii. the Contractor shall ensure that no change in the composition of the JV is affected without the prior consent of the Authority.

Without prejudice to the joint and several liability of all the members of the JV, the Lead Member/partner in-charge shall represent all the members of the JV and shall at all times be liable and responsible for discharging the functions and obligations of the Contractor. The Contractor shall ensure that each member of the JV shall be bound by any decision, communication, notice, action or inaction of the Lead Member on any matter related to this Agreement and the Authority shall be entitled to rely upon any such action, decision or communication of the Lead Member. The Authority shall have the right to release payments solely to the Lead Member and shall not in any manner be responsible or liable for the *inter se* allocation of payments among members of the JV.

2. Provisions Required to be Included in the Memorandum of Understanding /Joint Venture Agreement:

- a) If the application is made by a joint venture of two or more firms, the evidence of clear mandate (i.e. in the form of respective Board Resolution duly authenticated by competent authority) by such two or more firms willing to form Joint Venture among themselves for the specified projects should accompany duly recognising their respective authorised signatories signing for and on behalf of the respective Firms for the purpose of forming the Joint Venture.
- b) A certified copy of the power of attorney to the authorized representatives, signed by legally authorized signatories of all the firms of the joint venture shall accompany the application.
- c) The JV Agreement shall be signed by the authorized representative of the joint venture. The JV Agreement shall need to be submitted consisting but not limited to the following provisions:
 - i. Name, style, and Project(s) specific JV with Head Office address
 - ii. Extent (or Equity) of participation of each party in the JV(c). Commitment of each party to furnish the Bond money (i.e. Bid Security, and Performance Security) to the extent of his/her equity shareholding in the JV
 - iii. Responsibility of each partner of JV (in terms of organizational/ operational and financial involvement)
 - iv. Working Capital arrangement of JV
 - v. The bid, and in the case of the successful bidder, the Form of Agreement, etc., shall be signed and / or executed in such a manner as may be required for making it legally binding on all partners (including operative parts of the ensuing Contract in respect of Agreement of Arbitration, etc.). In accordance with the Rule 39 of RTPP Rules, in the event the bid of Joint Venture is accepted, either they shall form a registered Joint Venture company/firm or otherwise all the parties to Joint Venture shall sign the Agreement.
 - vi. Lead partner shall be nominated as being partner-in-charge; and this authorization shall be evidenced by submitting a power of attorney signed by the legally authorized signatories of all the partners.
 - vii. The partner-in-charge shall be authorized to incur liabilities and to receive instructions for and on behalf of the partners of the Joint Venture, whether jointly or severally, and entire execution of the Contract (including payment) shall be carried out exclusively through the partner-in-charge. A copy of the said authorization shall be furnished in this Bid.
 - viii. All partners of the Joint Venture shall be liable jointly and severally for the execution of the Contract in accordance with the Contract terms, and a relevant statement to this effect shall be included in the authorization mentioned under sub clause (...) above as well as in the Form of Tender and the Form of Agreement (in case of a successful bidder).
 - ix. In the event of default by any partner, in the execution of his part of Contract, the Procuring Entity shall be so notified within 30 days by the partner-in-charge, or in the case of the partner-in-charge being the defaulter, by the partner nominated as partner-in-charge of the remaining Joint Venture. The partner-in-charge shall, within 60 days of the said notice, assign the work of the defaulting partner to any other equally competent party acceptable to the Procuring Entity to ensure the execution of that part of the Contract, as envisaged at the time of bid. Failure to comply with the

above provisions will make the Contractor liable for action by the Procuring Entity under the Conditions of Contract. If the most experienced i.e. Lead Partner defined as such in the Communication approving the qualification defaults, it shall be construed as default of the Contractor and Procuring Entity will take action under the Conditions of Contract.

- x. Notwithstanding the permission to assigning the responsibilities of the defaulting partner to any other equally competent party acceptable to the Procuring Entity as mentioned in sub clause (j) above, all the partners of the Joint Venture will retain the full and undivided responsibility for the performance of their obligations under the Contract and/ or for satisfactory completion of the Works.
- xi. JV shall have a separate Bank Account. Bank account in the name of JV to be operated by at least one non local partner and one local partner. In case of JV among local partners, both the partners are required to operate.
- xii. In addition to what has been prescribed in sub-clause (l and j) above, provision for cure in case of non-performance of responsibility by any party of the JV.
- xiii. Provision that NEITHER party of the JV shall be allowed to sign, pledge, sell or otherwise dispose all or part of its respective interests in JV to any party including existing partner(s) of the JV. The Procuring Entity derives right for any consequent action (including blacklisting) against any or all JV partners in case of any breach in this regard.
- xiv. Management Structure of JV with details
- xv. Lead Partner to be identified who shall be empowered by the JV to incur liabilities on behalf of JV. The Lead Member shall hold equity shareholding of at least% of the subscribed and paid-up equity of the Contractor, throughout the Contract period. Each of the other Member of the Joint Venture shall hold at least% of the subscribed and paid-up equity share capital of the Contractor for entire Contract period.
- xvi. The Power of Attorney shall be duly notarized.
- xvii. Any other relevant details

		Appendix-VII	Rate per household per month submitted by successful bidder shall be revised @ 3% increment per year from the	<p>We respectfully submit this request to consider revising the annual increment rate to 7.5% per year for the rate per household per month, rather than the currently stipulated 3% increase. This proposed revision is based on the following considerations:</p> <p>1. Market Inflation and Cost Increases: Over recent years, the inflation rate and cost of essential service</p>	RFP condition shall prevail.

			<p>quoted rate by the firm.</p> <p>have consistently risen, impacting would help align rates with current market conditions and ensure service quality without compromising financial viability.</p> <p>2. Increased Operational Expenses: Rising expenses in fuel, labor, and materials have significantly affected the operational costs associated with household waste management services. A higher annual increment would help offset these costs and support uninterrupted service delivery.</p> <p>3. Enhanced Service Expectations: As expectations for service quality continue to rise, maintaining competitive and well-compensated operations has become essential. An adjusted rate increment would enable us to meet evolving service standards and ensure effective resource allocation. We hope you will consider this request favorably and revise the rate increment accordingly,</p>	
		<p>contract period of 1 year and extendable by 1 year based in performance</p>	<p>We respectfully request an extension of the current contract period for door to door collection service from the existing 1+1 year term to a total duration of 7 years, Given the scope of work, which includes the procurement and deployment of vehicles, this extended contract period is essential for ensuring efficient, cost-effective, and high-quality service The duration is important: a. Capital Investment Recovery b. Operational Efficiency and service Stability c. Encouragement of Technological Upgrades and Process Improvement</p>	<p>The contract period (the "Contract Period") for this project is for a term of 01 year which can be further extended for 01+01 year on satisfaction of work by Nagar Nigam Greater Jaipur & on mutual consent of Nagar Nigam Greater Jaipur and firm.</p>

		Clause-10.1	Related to conducting in Pre-operational Activities	We request the authority to increase the timeline for conducting survey as any bidder would require time to conduct survey, verify the details, submit the report to concerned authority and after approval give the procurement order and carry out installation of devices and vehicle on ground. We request for this additional time to conduct a thorough, accurate survey and complete preparatory activities without compromising data quality or project readiness.	RFP condition shall prevail.
		Clause-10.1-Part-C-(VII)	All the Open depots shall be eliminated within 02 month from the date of work order, in case of default penalty shall be imposed as mentioned in Point no 16 of Clause 48.	<p>To remove open depots Engagement of local communities is vital to prevent these points from being re-polluted. Additional time would allow us to work alongside ULB officials in conducting awareness campaigns and educating residents on proper waste disposal practices.</p> <p>Further ULB support in deploying additional personnel, equipment, and enforcement measures is critical to sustaining the cleanup of these points. 11.	FIANCIAL INCLUSION IMPROVES SANITATION AND HEALTH FINISH SOCIETY			NNGJ has provision the NOS of tipper Requirements as 91, out of Which only 68 Are kept for Household collections. That Corresponds to An average Tipper/ collection Vehicle Per 1000 HHs. As Per Our filed Survey General HHs in Mansarovar Zone generates aboutKG of Waste Per Day. Provisions related to Nos of Vehicles is Insufficient and considering the State Govt. Guidelines (circular no...) Domestic Waste Specially Households waste must get collected between 7 Am to 11 Am. This needs reevaluation of same at the Authority end. Most of Good Performing Cities have tipper Deployment on an average of 800 HHS. Which Facilities the HHS collection in Morning Hours there by reducing the burden on Municipality for Higher waste Amount. It is also Noticeable for holistic Waste generation Point of view that Mansarovar zone of Generating 150-160 MT of Waste Per Day. which has significant porting of targeted waste generators part of scope of work in this tender. This kind of Waste needed More number of vehicles to be deployed rather the Higher Load Carrying Capacity.	RFP condition shall prevail.

				<p>2. Bid Document Emphasize upon LCV having Weight Capacity of 1100 KG Onwards! We Request to clarify the Statement with regards to Necessity of Vehicle/ requirement of Vehicles. Considering the Weigh Carrying Capacity only few will vehicle will get fit in to the criterion, There is underlying assumption that Waste Must get collected by Single vehicle (1100 KG) Instead Higher number of vehicles with cleaner fuel (considering the advisory of Transport/environment Experts) would Address the real issue of Waste Collection within Time Limit. 1100 KG capacity Vehicle will be able to collect the waste from 1000 HHS but will take time beyond afternoon defeating the Purpose of Door to Door collection itself resulting in GVP creation. It is also Worth Noticing that smaller size vehicles will Provide Cushion Against "Breakdown" where more than anticipated instances smaller amount of HHS will get affected.</p>	RFP condition shall prevail.
				<p>3. Bid Document Necessitates the Need/ installation of RFID cards at HH/ Commercial institution levels We have realised that NNGJ has been Implementing the technology sine last 2 years or more in Malviya nagar Zone. It if worth noticing that RFID cards installations although done around many HHs has done very little impact of user fee collection, Source Segregation of waste and GVP removals. Tender Document also Necessitates that Need for installation of GPS device as well. There is mention of Implementation of Both technologies for creating/ tracking o waste collection work.</p>	RFP condition shall prevail.

				<p>4. There are Provisions made in the Bid Document with regards to the RFID card readers. It is Noticeable that while doing field Assessment we have erased that not all RFID cards are being Scanned at the moment in Malviya Nagar zone. This corresponds to need of installation. And Card reader as most of tracking is being done with GPS Tracking where a particular route is being Evaluated basis Vehicle Movement. Very little quality Inputs are being factored and monitored. Please Elaborate whether RFID cards installed how are being planned to be Monitored/ tracked post installation. Whether Bidder is needed to Scan all of the cards on daily basis.</p>	<p>RFP condition shall prevail.</p>

MSME Qualification Registration with Govt of India as well as director of Industries with GOR has been Provisioned. Is registration with Both the Institutions is mandatory. Is there any Particular Provision of MSME registration with Director of industries as same is generally use for registration of firms not necessarily creating any Provisions for MSME/ Small Scale etc.</p> <p>6. It is worth noticing that Several Times CPHEEO guidelines have been mentioned in the Bid document while under Penalty Provisions, Scope of work there is enough Scope of Improvement of deliverable such as Segregation of waste, user fee collection. Penalty Provisions made in the tender do not necessarily encourage Successful bidder neither penalise on Lack of quality of services. Emphasis has been laid upon only for Collection of waste. Penalty of Meagre 1.5 lakh to 50 K for a range of 0 to 90% of user fee collection targets corresponding a loss of possible revenue to the tune of INR 20 to 35 lakhs Per Month. This must get revisioned in the interest of By Laws Implementation and stricter Penal and incentive Mechanism must be inserted.</p>	<p>RFP condition shall prevail. 0.5% Bid Security of Project cost is applicable for MSME (shall be applicable for MSME of Rajasthan State Only)</p>

			3. The tender mentions RFID card installation and monitoring at several places. We request the municipal corporation to clarify why this technology is considered so essential and how the quality of work will be assessed through it, as the cleanliness survey does not prioritize this technology or allocate points for it.	RFP condition shall prevail.
			4. The information on household garbage collection vehicles obtained through RFID technology can also be gathered via GPS, which would be more cost-effective. The cleanliness survey also emphasizes GPS monitoring systems and allocates specific points for it. With the GPS system, it is easy to assess whether the vehicle reaches its designated location on time (real-time monitoring).	RFP condition shall prevail.

		APPEN DIX-B		5. On page 33 of the tender, it is mentioned that the proposal should be submitted in a single set format, with the "Intent to Submit Proposal" form being mandatory. This does not seem practical, as the form must be downloaded and submitted within two days. We request that this requirement be removed from the tender conditions.	RFP condition shall prevail.
		ANNE XURE- VI		6. On page 38 of the tender, a specific performance format is provided. It may not be possible to obtain certificates from various urban bodies within such a short timeframe. Our organization already has certificates in a standard format (which includes details like work, cost, work order, and duration) from these bodies. Therefore, we request that these certificates be accepted, and flexibility be provided. If the bidder is technically successful in the tender, the submitted documents can be verified with the relevant bodies, or additional time can be granted for verification if needed.	RFP condition shall prevail. Other documentary evidences for Performance Satisfaction may be considered meeting the requirement of RFP.
		APPEN DIX II , APPEN DIX III		7. On pages 42 and 43 of the tender document, two formats for the Power of Attorney are mentioned.
